

## This is something the Russians did not expect | Military Mind | TVP World

<https://www.youtube.com/watch?v=vGSeYYRIHao>

Male Soldier: A legendary witch is with us

Female Soldier: (signals the "peace sign" and smiles)

Male Soldier: This is Bachmut

Male Soldier: Bachmut is Ukraine

Male Soldier: Witch say something for Ukrainians

Female Soldier: Compatriots, Bachmut is ours (Ukrainian City)

Female Soldier: It was ours, it is ours and it will be ours

Female Soldier: our Cossacks are keeping up the defense

Female Soldier: our artillery is working,

Female Soldier: our courage is and will be

Would if both Russia and Ukraine are doing the Devils business?

Female Soldier: the hangovers (Russians) are afraid of us

Female Soldier: they have withdrawn the heavy armament as far as possible,

Female Soldier: they are afraid of our “Himars” and “three axes” (M777 howitzers)

Female Soldier: they are throwing their infantry at us,

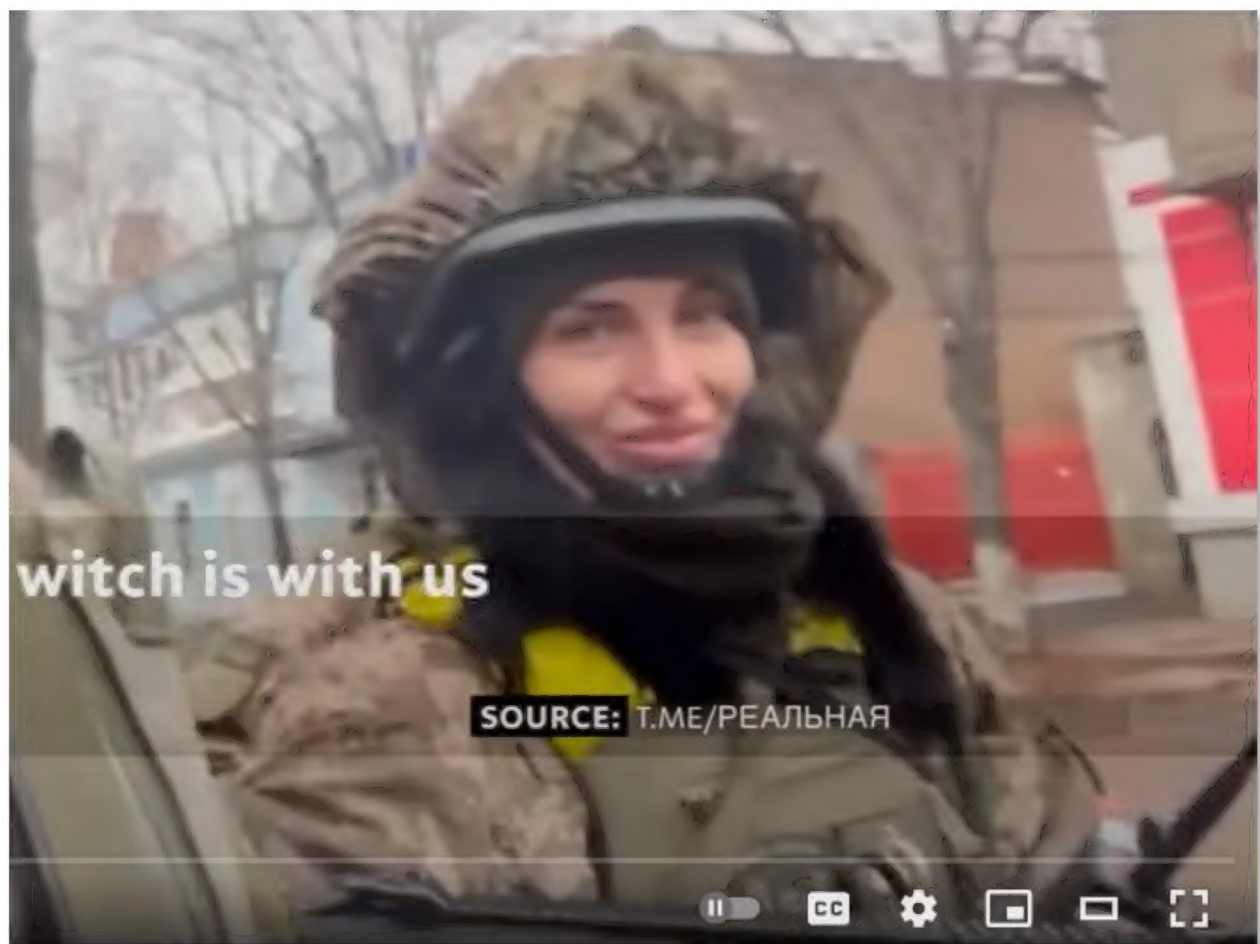

Female Soldier: they are trying to break us, but we have something to fight for and they don’t,

Male Soldier: that’s the difference!

Female Soldier: Victory will be with us!

Camerman: Glory to the nation! Death to the enemies!

Male Soldier: (unintelligible)

YouTube reports the current comment count is 873.

Fourteen (14) of the (873) comments contained the word “**witch**”, as seen below.

Would if both Russia and Ukraine are doing the Devils business?

I am in love with The **Witch** of Bakmut!  
Make her a meme. Make her viral.

I love witches. I just hope to be a good wizard to match their power. "A nation is never conquered until its women are strong". A quote from Crazy Horse.
